

The Masonic Light Award Program Overview

The Grand Lodge of Minnesota A.F. & A.M.

This Grand Lodge of Minnesota Masonic Light Award Program is designed to build competency and Masonic knowledge in at least seven of nine areas through guided study and in-Lodge activities.

Procedure for Enrollment/Completion

1. Enroll with the Grand Lodge of Minnesota office by filling out an enrollment form available on the Grand Lodge website. An enrollment form can be mailed to your address if requested and you do not have access to the internet. There is a minimal cost you will need to include with the enrollment form (currently \$20.00 for postage and supplies).
2. A lapel pin and guidelines for the program are sent to you.
3. As you complete any one of the competency areas and send it to the Masonic Light Award Program Coordinator, you receive a certificate with seal for that area of competency.
4. After completion of two proficiencies, you will be given a Masonic Light Award Coffee Mug either in person or by mail.
5. Collect seven seals and receive a personalized Award Medallion from the Grand Master or his representative.

Contact Information for the Program

- For all questions regarding the Masonic Light Award Program, please contact the Masonic Light Award Program Coordinator at the following address/phone/email. Rules/Guidelines

1. The competency areas may be completed in any order you choose. You are encouraged to work on more than one competency at a time. **All objectives must be completed on or after the date of your registration for this program. No objective may be grandfathered in.**
2. Each competency has a minimum number of points to be earned to complete it (100 points). Each competency has this clearly marked at the top of each form. **Some competencies have required objectives (marked in boldfaced type) and these must be done to complete the competency areas.**
3. With the consent of your Lodge Education Officer or Worshipful Master you may substitute an objective (other than the listed ones) with one of your own that has equal or greater hours of work and keeps with the spirit of the original written objective. Please use your discretion. Write on the competency form what the substituted objective was. **Required items cannot have substitutes.**
4. When a competency is completed (i.e. has achieved the minimum amount of points), take it to your Lodge Education Officer (or if you don't have a Lodge Education Officer, to the Worshipful Master of your Lodge) for his verifying signature. After making a

photocopy for your records, return a copy to the Masonic Light Award Program Coordinator, including all attachments mentioned in the next Guideline.

5. Please return all papers, reports, quizzes, correspondence courses, etc. along with your competency form you have done to complete the objectives. These will all go to the Masonic Light Award Program Coordinator. We will acknowledge all papers if published or distributed by the Grand Lodge.
6. If you have questions, comments, suggestions, or additional recommended objectives, please communicate with the Masonic Light Award Program Coordinator. The Coordinator's contact information is located on this form in the previous section.
7. One objective completed cannot count for multiple things in different competencies (ex. Reading "Designs Upon the Trestleboard" cannot count for both Lodge Administration and Leadership).
8. Upon successful completion of any of the competencies, you will receive confirmation after the Masonic Light Award Program Coordinator has received it and it is duly completed, after which you will receive a seal to be placed on your Award of Light Certificated (given to you when you complete your first competency and turn it in).
9. Upon completions of any seven of the nine competency areas, you will be invited to attend the next Grand Lodge Annual Communication to receive your personally engraved Award of Light medallion from the Grand Master of Masons of Minnesota or his representative.
